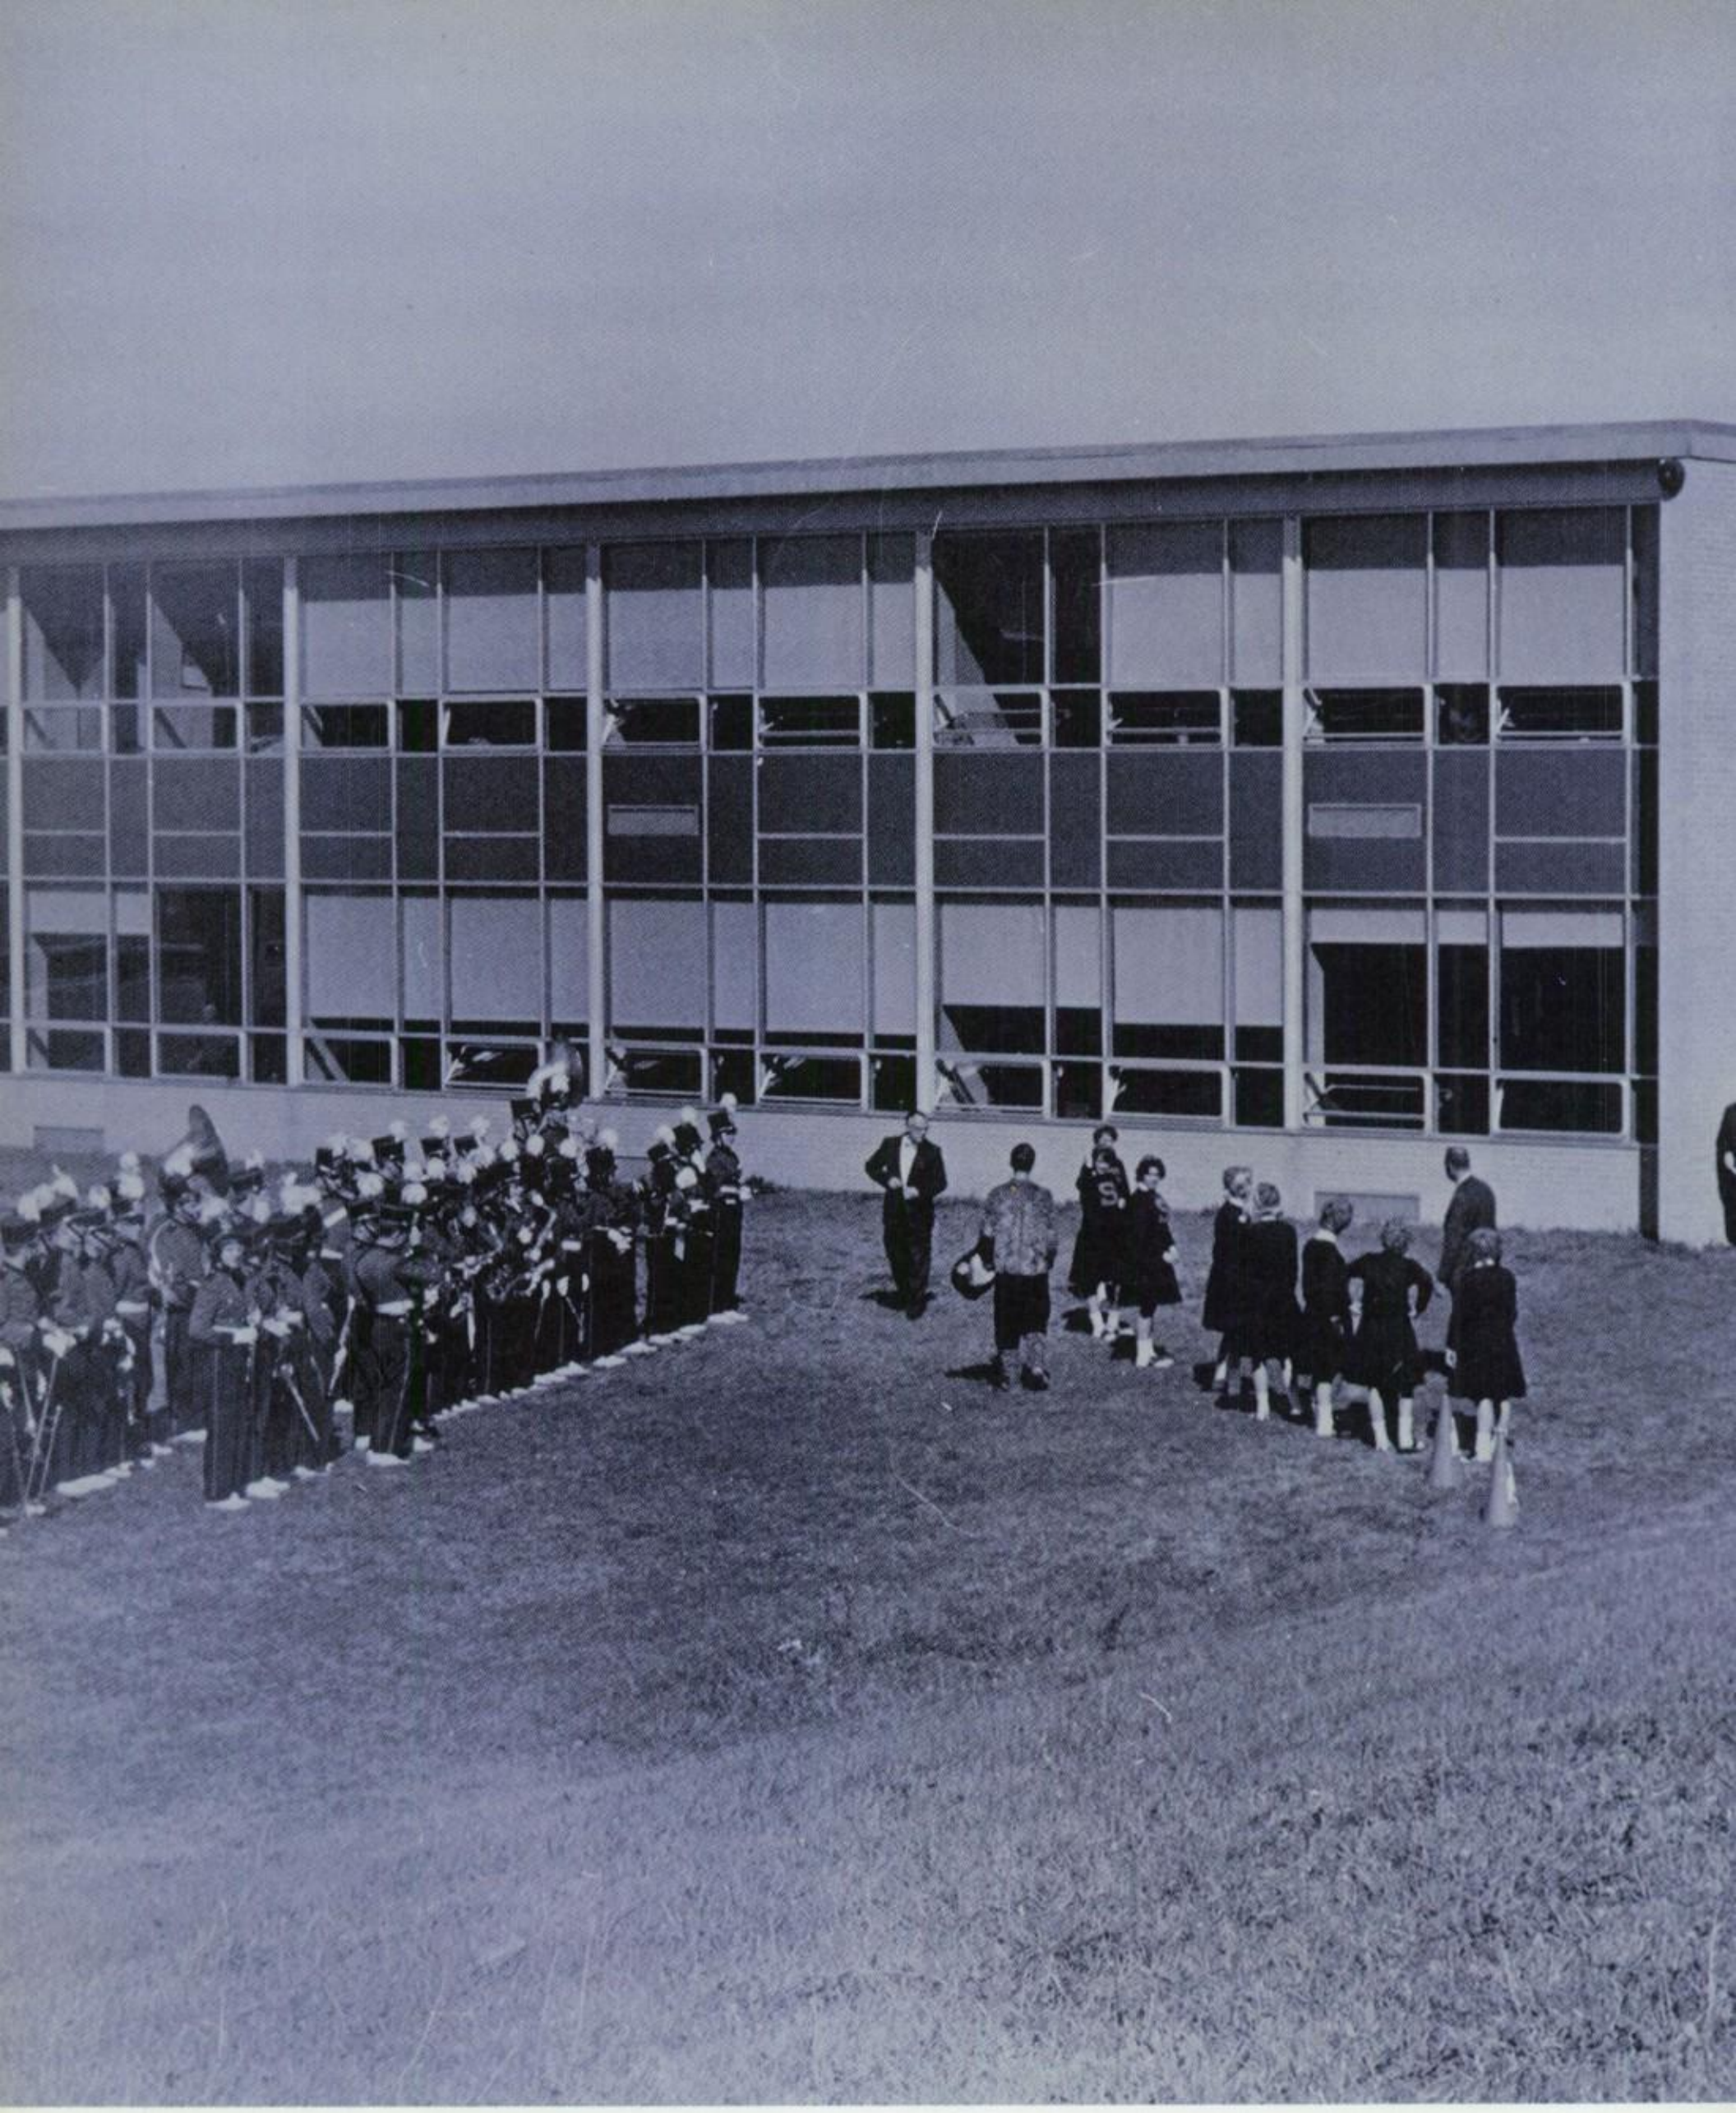
EAGLET

SOMERSET AREA HIGH SCHOOL SOMERSET PENNSYLVANIA



THE 1963 EAGLET

Foreword

An inherent part of every student's school life is study; however, just as students differ in their personalities, so they differ in their study habits. With some, study is as natural as breathing or sleeping; with others, it is a forced and difficult task. Ideal study should be an automatic and effortless activity conditioned by training and self-discipline; however, at times it can be arduous and frustrating.

While some people require solitude and freedom from distraction in order to study, others feel secure only in the company of the blast of a radio, the glare of a TV screen, or the temptation of a telephone.

Sometimes grades rather than knowledge are considered the prime end of study. This, however, is the wrong attitude to take toward anything as important as education, which has a direct bearing on ones entire life.

Does an A on a small card mean that we are growing in character and spirit? How can a sterile grade reflect a maturing sense of values or a sound preparation for the decisions which will make us what we shall become? It has truly been said that the child is father to the man.

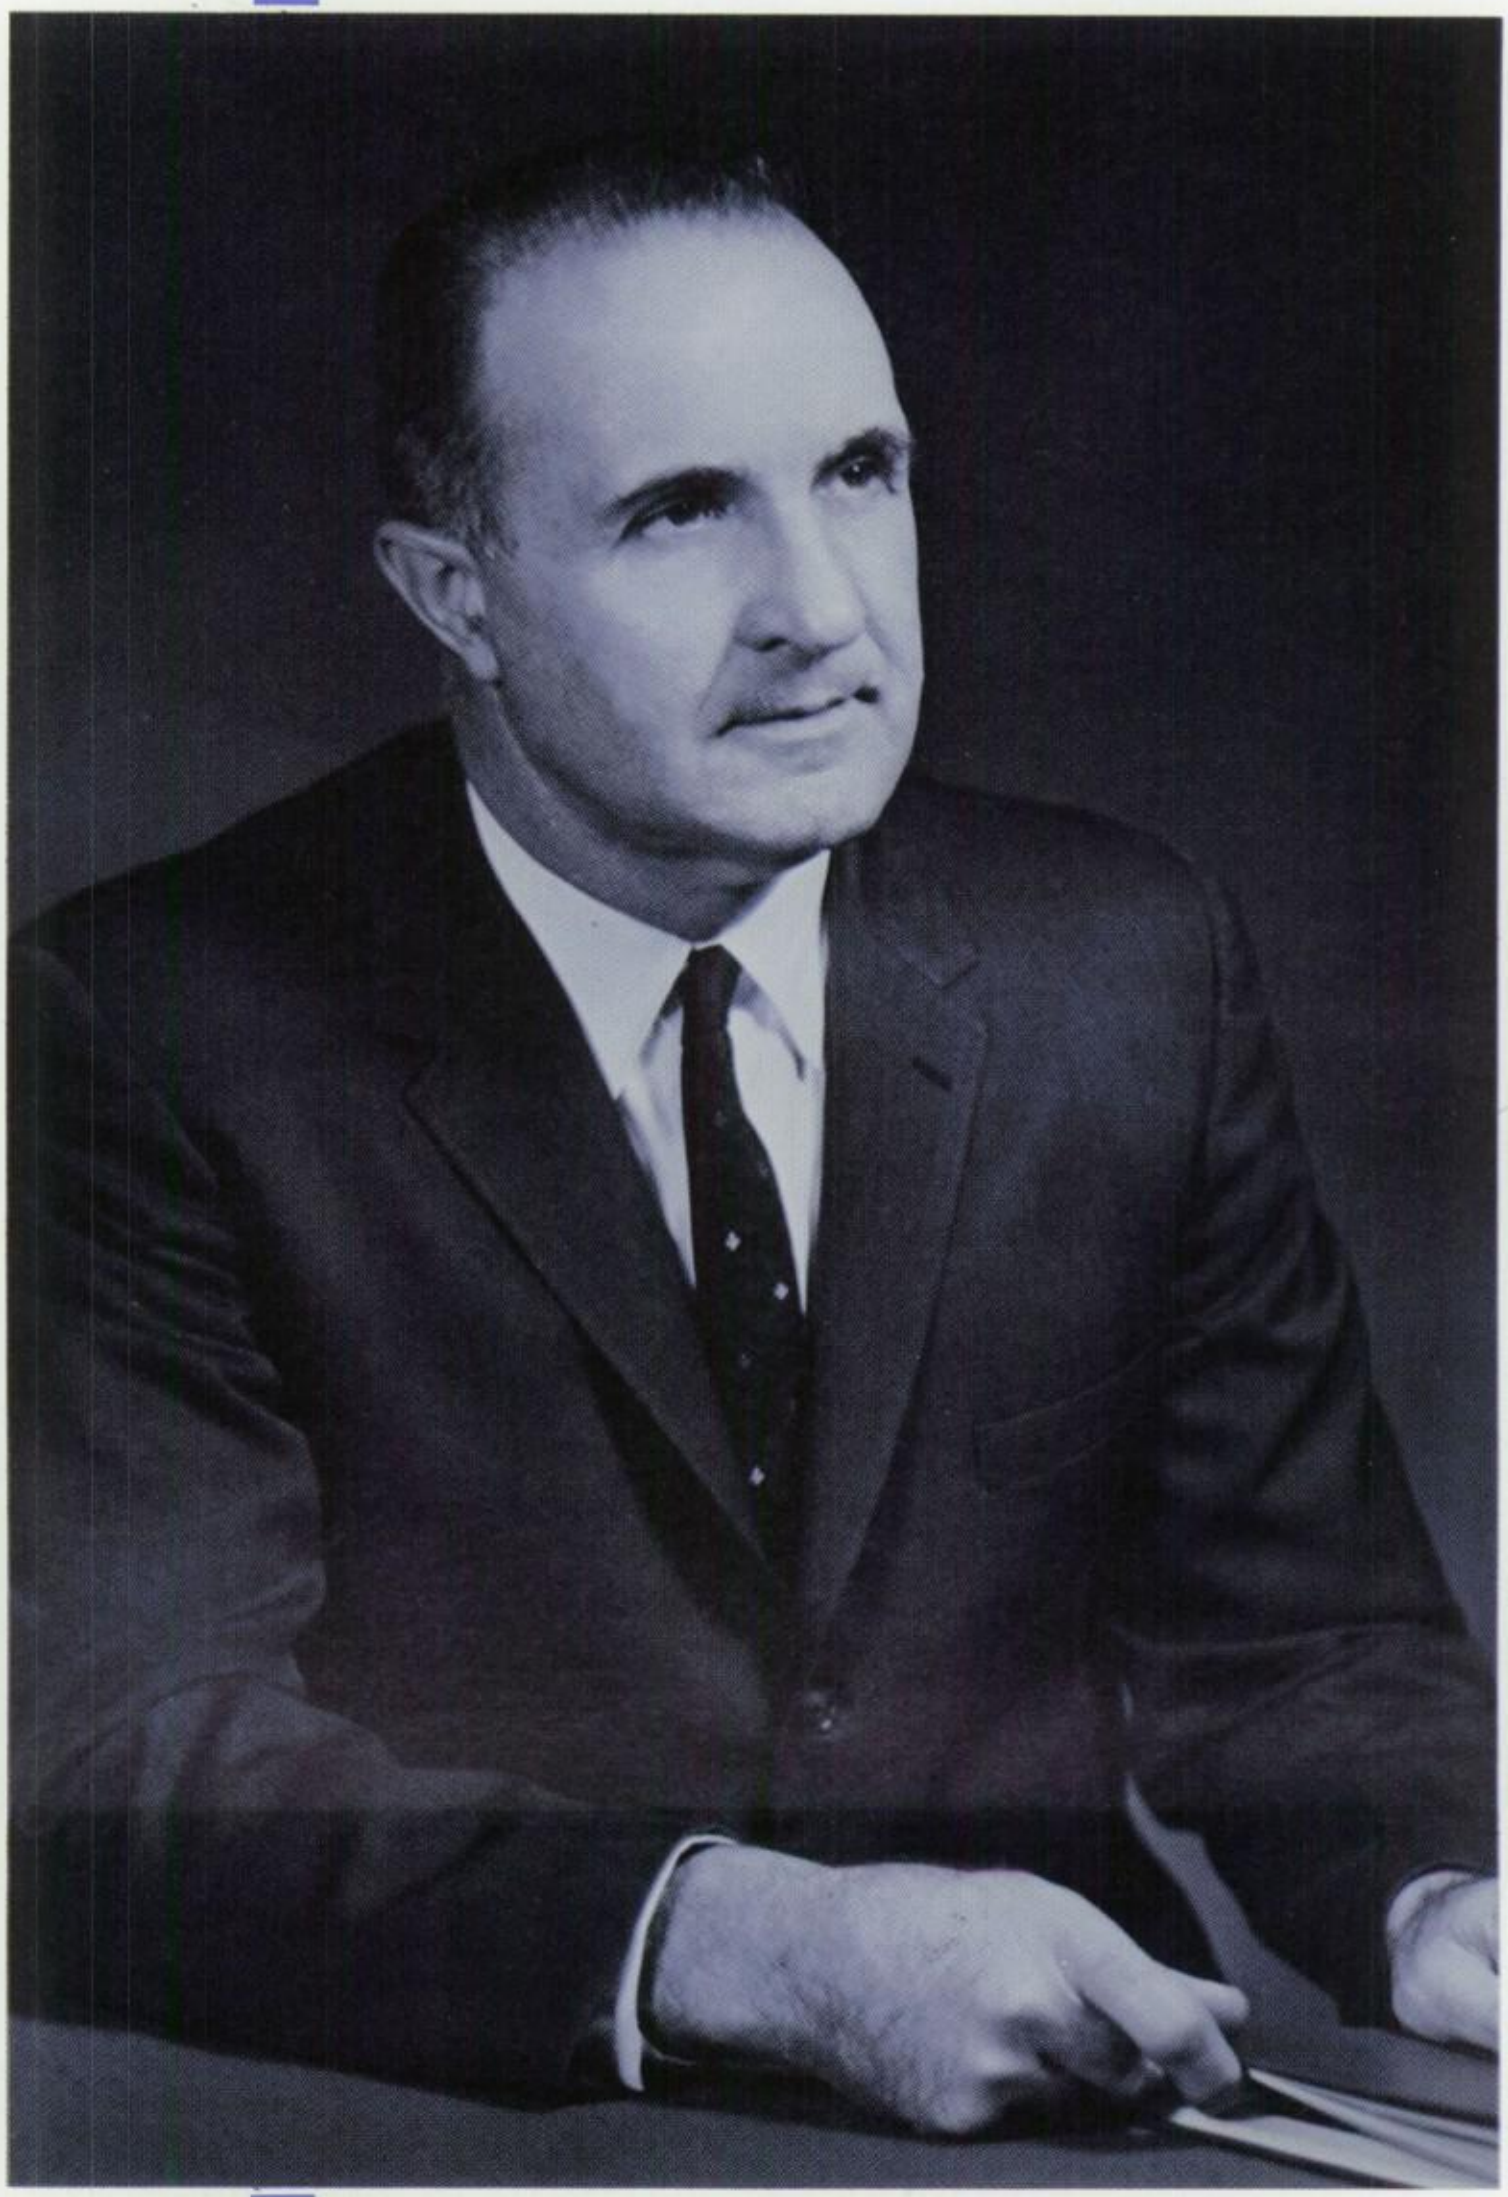
Dedication



With pride the EAGLET staff dedicates this book to Mr. Carl Waugaman, mindful of the recognition and prestige he has brought to our school. During the fifteen years he has been with us, he has been a sympathetic advisor and a lasting friend.

Upon graduating from Greensburg High School, Mr. Waugaman entered Pennsylvania State University, where he majored in health and physical education. During his college days he was active in all major sports. When he graduated from Penn State, he became a member of the Ligonier High School faculty, where he held the position of football and basketball coach. The next five years were spent at Johnstown Central High School, where he was football line coach, junior varsity basketball coach, wrestling coach, and baseball coach. Since he has come to Somerset, he has been the coach of the junior varsity basketball team and the varsity football team. During the time he has been here he has brought our school two undefeated seasons.

The loyalty and devotion we feel for Mr. Waugaman is not only because of his successes, but also because of his sincere and personal interest in each student.

It is the responsibility of the members to give the people of this community all the facts about their schools so that they can provide the finest possible school program, school staff, and school facilities. They have a civic and moral obligation to the nation, which can remain strong and free only so long as public schools in the United States are kept free and strong. The primary function of the Board is to establish the policies by which our schools are administered.

Advising the students about their future plans and helping them with their individual problems are the duties of our competent guidance counsellors.

The vocational co-ordinator handles all business pertaining to the federal subsidies of our vocational courses. He is also the custodian of the school's projecting and recording facilities.

For the students who have personal problems our school psychologist counsels them so that they might be better able to adjust to their situations.

Seniors

Our emotions are a mixture of joy and sadness as we realize that our high school days are rapidly coming to an end.

As we reminisce over our senior year, we recall the magazine campaign, the class play, the soph-senior, the junior prom, and the other activities in which our class participated.

We are proud of the academic rating of our class. We had three students who were National Merit Scholarship finalists. We can happily look back on this year and say, "Well done." With the desire to use the knowledge we have accumulated, we can look ahead to the future with confidence that we shall meet its challenges.

We are the second class graduating from this new high school that is equipped with the latest study aids. We will not forget the cooperation of our inspiring faculty and capable administrative staff. Their help and encouragement have guided us through these preparatory years. Because of their proficiency and interest in us, we are able to face the future as better young adults.

When we leave Somerset Area High School for the last time as the senior class of 1963, it will be with sincere gratitude that we say, "Thank you, everybody."

The seniors of '64 are now in the next-to-top position. They are doing a fine job of carrying on Somerset's traditional friendliness and good sportsmanship.

The juniors were successful in their money-making project last year. This supplied the money for their Soph-senior and Junior Prom dances. They presented us with a Junior Prom which we will never forget.

Many junior boys excelled in the field of athletics. They include Larry Ankeny, Dick Vincent, Joe Shrock, Ronal Pugh in football and basketball and Bill Williams and Bi Foy in wrestling. Leading cheers were Joyce Lape, Jud Bittner, Yvonne Eakin, Joanne Dosch, Alice Lohr, and An Peiffer. Leading the band were Judy Miller, Annetta Luce and Teresa Petrosky, our majorettes.

We leave our school in capable hands and wish thes oncoming seniors great success.

Student Council

Our Senior High Student Council is composed of an elected representative from each homeroom in addition to the president, who is elected by the entire student body. The purpose of the Council is to help maintain and improve the general student welfare and to provide a laboratory in citizenship and democratic living.

Under the leadership of Dan Walker the Student Council undertook many projects during the 1962-63 school term and, in addition, laid the groundwork for future progress.

During the year the Council sponsored the Valedictorian Award at Commencement, Orange and Black Friday, TWIRP Week, Clash Day, and student-teacher exchange day. Many routine matters were handled, such as requesting that the Alma Mater be sung oftener at school functions, asking that a pencil sharpener be installed in the cafeteria, sponsoring an assembly, and sparking school spirit before athletic contests.

The officers this year were: Dan Walker, President; Jean Lease, Vice-President; Ann Gourley, Secretary; Barry Sheeler, Treasurer. Mr. Ralph Egolf served as faculty advisor.

The official name of the National Honor Society in our school is Somerset No. 888 Chapter of the National Honor Society of Secondary Schools. The object of this chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Somerset Area High School.

Each year the faculty elects for membership five percent of the junior class and ten percent of the senior class, basing their vote on scholarship, leadership, service, and character.

The chief public activity of the National Honor Society is the formal induction ceremony of new members. This ceremony has always been very impressive.

A party in Gene's studio celebrates the completion of his Girl-of-the-Month calendar series.

Determined Seniors provided an unforgettable enactment of the comedy "If A Man Answers." Along with the chants: "Speak s-l-o-w-l-y," and "Speak louder," the rehearsals and performances were spiced with entertaining incidents.

The first cast discovered Jack was an excellent model and a clear telephone and door bell. Barry tasted rather than felt his glass of water. Buttons provided backstage pep signs to help us. Judy's fine performance was upset by Bill's entrance with the wrong line. She recovered by swiftly swinging her full purse, throwing a hair spray can across Bill's head and into the first row. Harriet found it hard to keep a good girl from laughing. Judy Young *proved* that it is hard to keep a good audience from laughing. Danny must have thought his part was too short, for he went through it twice.

Happily, Mrs. Cindric's threat, "If you don't know your lines tomorrow night, there won't be a class play!" was not carried out.

The 1963 Eaglet

The EAGLET has taken a new form this year. Instead of Sammy Eagle as the usual cover feature, the school emblem has been adopted. The renovation continues inside both the front and back covers, where a double-page color photograph of the EAGLET staff has been featured. The size of the EAGLET also has changed from the usual high school size to regulation college size. From planning layouts to polishing editorial copy, the members of the literary staff have endeavored to present every phase of the Somerset High School story clearly and fully.

Lois Tipton, Sandra Shaulis, and Kay Christner are immersed in preliminary work on the '63 EAGLET.

Jack Dirienzo scans a book on photography for new ideas.

Yearbook Executives Phyllis Hetzer, Fritz Brubaker, Linda Hoffman, and Louise Blough lay out the 1963 yearbook staff assignments.

Members of the EAGLET staffs attended the Western Pennsylvania Association conference in Johnstown and the 12th annual yearbook clinic at the University of Pittsburgh, which concerned advancements in yearbook publication. The EAGLET again last year received a first place in the Columbia Scholastic Press Association yearbook critique and rating competition. This critical service is entered by yearbooks from fifty states and fifteen foreign countries.

Functioning as a project of the senior yearbook English and senior business English classes, our yearbook is a practical and academic challenge. Sound financial standing and serious editorial effort are a continuing hallmark of the Somerset High School EAGLET.

While checking yearbook glossies, Barbara Judy, Jeanne Yost, and Elaine Hauger find that some are really amusing.

Bonnie Eichorn, Donna Queer, and Terry Shober check the patrons of last year's yearbook in preparation for a new solicitation.

Under the competent coaching of Mr. Carl Waugaman, Mr. Richard Colliver, and Mr. Wilson Weaver the Golden Eagles compiled an impressive 7-1-1 record for the 1962 football season.

A loss to Scotdale and a tie with Westmont were the only blemishes on the team's record.

In the season's opener with Adams-Summerhill the Eagles beat the Hornets in a hard-fought battle, 19-6. The second game went to the Eagles by a narrow 8-6 decision over the Bears of Bedford. Ligonier was the next team to bow before the Eagles, 41-0. In their next game the Birds lost a hard-fought game to Scotdale, 13-20. The Eagles staged a comeback by defeating Everett, 30-0. The next week the Eagles traveled to Cumberland, Md., to trounce the La Salle Engineers, 40-6. The Bears of Boswell invaded the Eagles' home ground, but went down to defeat, 36-14. After a week's layoff because of snow, the Eagles journeyed to Conemaugh Twp. to win a 29-6 victory.

In the last game of the season, playing on a rain-drenched field, the Eagles fought to a bruising 7-7 tie with Westmont-Hilltop, thus placing second in the Mountain Conference.

Ted Fisher makes good another extra point attempt.

Basketball

The Golden Eagles of Somerset closed out the 62-63 season on March 7 in a District Five Championship play-off game with Bedford. Under the skillful leadership of Mr. Chester Pheffer and Mr. Dean Bowman the Eagles compiled a record of six wins and seventeen losses.

Although the record wasn't impressive, the cagers showed spirit and sportsmanship on the floor. The fighting men of the hardwood never let down, always displaying a desire to win until the final whistle was sounded. The spirit of the cage team was kept at its peak through the interest shown by the cheerleaders and the Somerset fans.

This year the team brought prestige to the school when they won honors in the Windber Rotary Tournament. We congratulate them for their outstanding performance. On the week end of February 25 the team journeyed to Bethlehem, Pennsylvania, to play in a special benefit game sponsored by the Bethlehem Lions Club.

The squad was composed of three seniors, two juniors, and five sophomores.

Wrestling

On December 6th, Somerset Grapplers lost a close decision to United Joint by a 29-27 score. In our next meet we easily trounced a green and inexperienced Hyndman team, 71-0, with the Somerset matmen scoring pins over all the opponents. On January 3 we traveled to Westmont, where we clipped the Hilltoppers 31-17. Back on the home mats on January 10, we defeated the Conemaugh Indians 28-20. At Bedford, on January 17, we were trampled by a herd of Bedford Bisons, 44-0. Then on January 24 we fought a close one with Ferndale, losing by only one point. We got a slow start against Boswell, but caught up in the heavyweights to deadlock the match at 25-25. The Everett Warriors fell to the Somerset matmen with a 24-22 score on February 6. In our final match of the season we lost to Chestnut Ridge, 32-17. This left our record at four wins, four losses, and one tie. We also made a good showing at the District 5 matches, held at Windber on March 1 and 2, where Delmas Hutzell emerged as District V champion in the unlimited class.

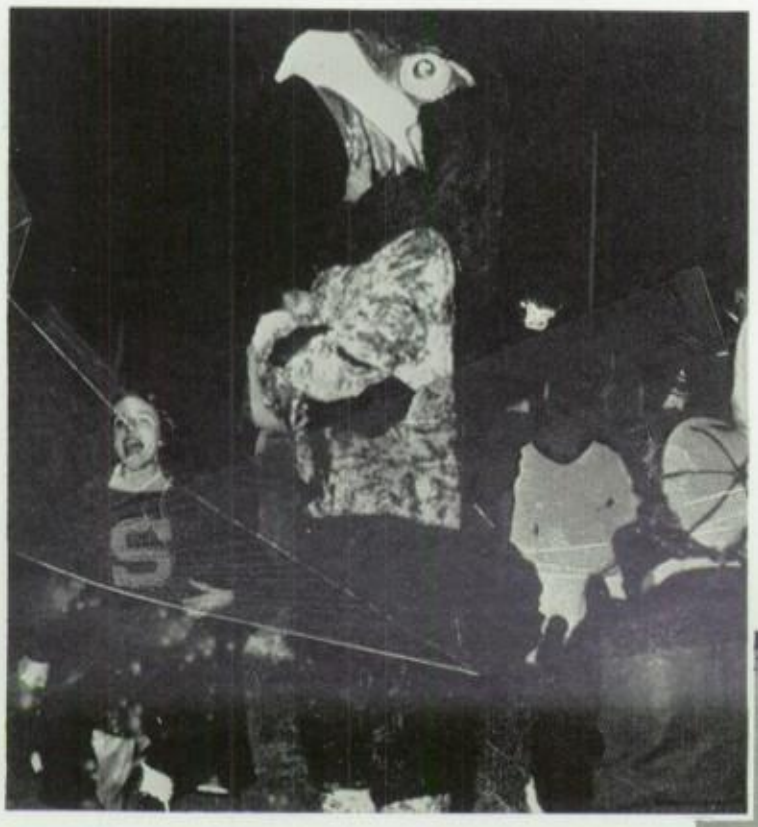
Judy Bittner, Ann Peiffer, Kay Glessner, Alice Lohr, Joanne Dosch, Yvonne Eakin, Joyce Lape, Nancy Pfrogner

Cheerleaders

The Somerset cheerleaders consist of eight varsity, six junior varsity, and six junior high cheerleaders. By never failing to keep school spirit high, they have continued to let our teams know that we are behind them all the way. Their enthusiasm can be seen and heard at football and basketball games, wrestling matches, pep meetings, and the annual cheerleading contest.

Two seniors will leave the squad this year: Kay Glessner and Nancy Pfrogner. The cheerleaders are under the capable guidance of Miss Eleanor Hardy.



The cheerleaders honor our mascot Sammy Eagle with a cheer.

MAJORETTES

Linda Davis, Phyllis Hetzer, Mary Ann Baker, Judy Morocco, Annetta Luce, Grace Dirienzo, Wanda Eichorn, Judy Miller, Janet Smith, Teresa Petrosky

Majorettes

The majorettes provided many spectacular routines at parades and half-time of the football games. Under the capable leadership of Linda Davis, these snappy majorettes thrilled crowds by twirling two batons and fire batons after long hours of hard practice.

The Pompettes made half-time and parades a double treat as they showed their skill through dance routines. The Pompettes practiced many long hours to perfect these routines with pom-poms and flags under the leadership of Nancy Barron.

The Pompettes display one of their routines to the football fans.

In Conclusion

The senior class wishes especially to express their sincere appreciation to their sponsor, Mr. Robert Platt, for his aid to them in their class activities. Speaking for the entire student body, we would also like to express our gratitude for the efforts of the faculty who have helped us lay a firm foundation for our future. By their example and instruction they have given countless students the inspiration to do their best, whether it be in study or in any other pursuit. Seeking and learning are things that do not end with the last day of school; they continue throughout our entire life.

The staff of the 1963 EAGLET have worked to make this book a permanent record of the past year's activities. Here we have tried to gather the events and experiences which will become memories. Although it is far from complete, we hope that it will serve its purpose to present an overall picture of school life.
